## **Special Education Academic Map 2025-2026**

This academic map is a suggested four-year schedule of courses based on degree requirements in the GGC catalog. The Special Education program can be completed fully online based on the courses recommended below. Sections of these courses are offered online by GGC or ECORE. This sample schedule serves as a general guideline to help build a full schedule each term. *Missing milestones could delay your program*. This map covers both paraprofessional and traditional cohorts. Graduates from this program also will be eligible for the GaPSC Autism Endorsement.

This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or about your degree requirements. Also see the current undergraduate catalog for a complete list of requirements, electives, and pre-requisites. Note: Requirements are continually under revision, and there is no guarantee they will not be changed or revoked; contact the department and/or program area for current information. Specific summer courses may not be offered as planned. This map was created based on the GGC Program requirements. 11.1.24.
